

REFLECTIVE
AWAKENing
PRAYER

— This is an invitation to live a prayerfully thoughtful life with Jesus, no shame, guilt or condemnation. As we are intentionally aware and pay attention, we awaken to His presence and grace in new ways. — We grow in our apprenticeship to Jesus.

As I think and prayerfully reflect on the last **24 hours...**

[Where was I most aware of God?
Where was I least aware of God?

[How did I most experience God's love?
How did I least experience God's love?

[What am I most thankful for?
What am I least thankful for?

[How did I contribute to community?
How can I better serve others?

[How might I respond to what Holy Spirit is showing me?
How can I carry the life and light of Jesus into the next day?

**Could you
try this
with
others?**
